Parent Share of Cost Worksheet
(Based on FPG)

(For CSS Use ONLY)

Instructions:

1. Find the family size
2. Follow that row across until you find the income range
3. Follow that column down until you find the # of kids in care
4. This will give you the parent share of cost based on family size, income range and # of kids in care

BCY 20

Percentage of Federal Poverty Guidelines (FPG)
