# While You Work

In order to address the impacts of COVID-19 and to support Texas' continued economic recovery, our partners at the Texas Workforce Commission (TWC) approved funding to support a new child care program to help workers in TWC-specified service industries.

While TWC is targeting aspects of the service sector with **Service Industry Recovery (SIR)** child care, all families continue to have access to Workforce Solutions Golden Crescent Area's regular income-based child care scholarship program.
